Hidden Valley Scout Reservation Winter Camp Information for Unit Leaders 2007 - 2008 Winter Season

Dear Unit Leader:

Thank you for selecting Hidden Valley for your weekend outing. We are looking forward to having you with us at camp, which we hope will be a meaningful experience for everyone in your group. Hidden Valley Scout Reservation had a successful Summer Camp in 2007, and we hope that your winter weekend experience might encourage you to register for Summer Camp at Hidden Valley in 2008.

When you arrive at Hidden Valley for your winter season weekend, you must check in directly with the Campmaster. The Campmaster's Cabin is located inside the West Gate, across the road from the Dining Hall and Trading Post. We should point out that there is a radio by the Shop Compound Office to contact the Campmaster and/or the Ranger upon your arrival at camp. As a courtesy, the heat and lights will be turned on in your cabin(s) for you to insure that, when you arrive, things will be cheery and warm. If you do not know how to reach your cabin or tent site, check on the radio with the Campmaster or Ranger and either one will gladly help you to the proper site for your weekend experience.

On Friday evening, the Campmaster will conduct a short welcome meeting at 9:00 P.M. in the Dining Hall and we would appreciate it if one adult from your unit would be in attendance. You will review Camp Procedures, weekend opportunities, updated Trading Post hours; you will receive information on the camp-wide vesper service and campfire, which are held Saturday evening in the camp Dining Hall, with its central fireplace; and you will have an opportunity to share any concerns that you may have about your cabin or campsite. Opportunities will also be presented at the welcome meeting for your unit to participate in a Camp Service or Conservation Project. Your unit's continued efforts are appreciated in improving Hidden Valley Scout Reservation.

Hidden Valley Scout Reservation is a beautiful site, and we hope that you will instill in all leaders and unit members attending camp the one simple rule, "If it didn't grow here, throw it in the can."

You can now buy trash bags from the trading post or from the Campmasters. These trash bags will have a camp seal on them; these bags may be left along the road so that our Camp Ranger can pick them up on Sunday morning. The price of the bags is \$1.50. These are the only bags that are to be left for pick up. **ALL OTHER BAGS MUST BE TAKEN HOME. Any bag left without the camp seal,**

the unit will be charged \$2.75 for removal of these bags. A bill will be sent to the unit leader and a copy will be sent to the unit committee chairperson and the unit Institutional Head.

The following items are in effect for Winter Camping Season 2007-2008:

- Campmasters will wear an official picture-identification badge.
- A copy of the Local or National Tour Permit will need to be submitted to the Campmaster at the Welcome Meeting Friday evening.
- The rifle range will be open for BB Shooting and Rifle Shooting on select weekends during the fall and spring. Pre-registration through the Scout Shop is required. Call: 766-1591 to make reservations.
- The climbing tower will now be open on select dates in the fall and spring. The cost is \$15/person with a maximum of 10 people per time slot. Participants must have achieved the rank of Webelos or higher, be a registered Scout, and have a signed legal waiver.
- The Camping Committee has organized program weekends for the late summer and fall of 2007. Everyone is welcome to attend Hidden Valley on these weekends even if you chose not to participate in the programs. Programs are listed within this packet and additional information and registration will be available at www.keystonebsa.org.

Thank you for attending Hidden Valley Scout Reservation during the Winter Camping season. We hope that your group will be back to join us for Summer Camp 2008. Every unit's support of Hidden Valley is going to insure the camp's future success, and we know that you will help! If, after attending Hidden Valley for the Winter season, you believe there is anything that we can do to improve the camp for others or you have any suggestions for the future, please contact us and pass on your thoughts. We welcome your input and thank you for your support!
